## Letter from Pastor

When I was a young child my father, Rev. C.B. Smith had a heart attack while on church business in Chicago. He was put on the train and sent back to Toronto. When my mother was called by Dr. C. M. Wortman, he told her that my father was not expected to live.

With two small pre-school boys at home my mother cried out to God. She prayed that God would extend dad's life so the young boys would know their father. It was many years later when my brother David and I were in our first year of post secondary education that my father was in a fatal car accident. Our hearts were broken, however, my mother Beulah reminded us all that God had answered her prayer just as He had for Hezekiah in Isaiah 38:5 and extended his life for fifteen years.

It never ceases to amaze me when I see the answers to prayer that God releases. We all have questions but my prayer is that we walk by faith until God releases His answers or His unique provision.
